

## Just For Vets

Engage Global's 'Just for Vets' program is designed to serve our veterans. It allows them to receive a month's supply of MMF for the cost of shipping and handling. Upon request each month, veterans with qualified sponsors can receive one month's worth of MMF.

### **Who Qualifies?**

In order to qualify for a monthly supply of MMF, veterans must have a sponsor who is an active member or preferred customer. An active member or preferred customer is any member/preferred customer whose product purchases total or exceed 100 volume points within a calendar month. If a veteran's sponsor fails to meet the requirements previously mentioned, the veteran will not be allowed to receive a free monthly supply of MMF the following month. If the sponsor becomes inactive, they can be reactivated by reaching volume requirements. At this point, the veteran will once again be eligible to receive product.

### **What are the limitations of a Veteran account?**

If a veteran has a veteran account, they are not eligible to be a member or a customer. They can, on the other hand, purchase additional MMF at full retail price. If any veteran would like to become a distributor or customer, they must convert their account into a member or customer account. They may do so by calling member services. Veteran accounts do not have a website or a back office. They must call in each month to order their product.

### **How do I register a Veteran?**

To register a veteran, we must receive proof of military service. Applicants can validate their service with a DD214, military ID card or separation orders. The military ID may be expired. In addition, to proof of service, the following information must be provided: Full name, shipping address, phone number and email. The name and telephone number of the intended sponsor must also be provided. Applicants may send their information to Engage Global by mail (5314 N River Run Dr. Suite. 210 Provo, UT 84604) fax, (866-234-2354) or email (support@engageglobal.com). Once this information is received, Engage Global will contact the veteran for their credit card information and place their order. Veterans will pay shipping and handling for the product.

### **What is the cost?**

There are 2 products a veteran may purchase. MMF to our veterans is \$14.95 for a single box. Hydro is \$19.95. These prices are inclusive of all shipping and tax charges. This cost helps Engage Global cover some of the costs of administering this program to our veterans.

### **How many Veterans can I sponsor?**

Each active member and preferred customer may sponsor one veteran. If you would like to register additional veterans, they must have separate, active sponsors.

*The 'Just for Vets' program is meant to be a courtesy and a service. We ask that applicants and sponsors understand the terms of the program and comply accordingly. If any of the above mentioned requirements are not met, we reserve the right to deny service.*
